## Does Neighborhood Watch Work?

**YES!** In separate burglary cases this year, suspects were apprehended by the police as a direct result of neighbors who called the police to report suspicious activity in their neighborhood. In each case, the victims recovered their stolen property!

**Neighborhood Watch** is one of the oldest and most effective crime prevention programs in the country. The program brings citizens and communities together, with law enforcement to deter crime and make communities safer.

For information on how to start a Crime Watch Group in your neighborhood, contact:
