# BIG THINGS are Happening in Bartow Parks, Recreation & Cultural Arts

THE DEPARTMENT IS PARTNERING WITH POLK COUNTY TOURISM & SPORTS MARKETING TO INSTALL FOUR NEW ADULT SOFTBALL FIELDS AT BARTOW PARK 555.

**By Jason Hargrove, Director, Parks, Recreation and Cultural Arts**

**T**he Parks, Recreation & Cultural Arts Department is currently engaged in many wonderful programs and improvement projects. We know that having functional and enjoyable parks, facilities and activities improves the quality of life for our city residents and visitors. Please take a moment to read about special projects that are underway in Bartow.

NEW FENCING AT THE RC TRACK

The Department is partnering with Polk County Tourism & Sports Marketing to install four new adult softball fields at Bartow Park 555. Construction of these fields is being done by Rodda Construction and the work and improvements are coming along great. In the end, we will have four adult softball fields that can be used for adult leagues such as softball and kickball. The fields also will be used to host youth softball tournaments/games. Completion of this project is scheduled for October.

We also are replacing several fence areas around our parks and facilities. The RC Track at Bartow Park 555 got a new fence, and we also replaced the one around the football playing field at 555. Replacement of fencing at Mary Holland Park entrance and the backstops at Pittas Baseball Complex should take place soon.

Speaking of the Pittas Baseball Complex, we have replaced the majority of the old lights with new LED fixtures. This should be complete by the end of May. Along with the new LED lights, we installed a Horticultural program for the baseball fields, along with other athletic fields around the City. This process will allow us to properly maintain the health of the fields and keep them looking green and ready to play on!

The Bartow Golf Course is one of the top facilities in the City. In March the course hosted more than 200 rounds of golf on multiple days. Earlier this year we started repaving our golf cart paths to ensure a smoother ride for patrons.

We also have purchased some new equipment to streamline processes in several areas. A new aerator is helping keep our golf course healthy and green and several new golf carts have been added to our fleet.

Perhaps most exciting is a new Robotic Ball Picker, a completely autonomous golf ball collecting robot that will eliminate this tedious task from our staff's workload.

THE NEW AERATOR AT THE GOLF COURSE

And we now have a Turf Tank, which automatically lines athletic fields according to dimensions set in a tablet. The Turf Tank allows staff to focus on other areas while it preps the field for games.

Our Public Library is going strong with programs and activities for all ages. The Library has also gone Fine Free, allowing more people to enjoy this facility. Our City Librarian and her staff provide programs to keep the community involved and anxious to return.

THE LIBRARY'S BACKYARD

If you've ever taken in the scenic vista that is the backyard of the Library, you'll be happy to know that a walking trail is planned to allow visitors to enjoy the remarkable view and to connect the facility with nearby Mary Holland Park.

Bartow Parks, Recreation & Cultural Arts is committed to ensuring that every resident has an opportunity to experience outstanding recreational and educational activities to enhance our quality of life, build relationships, and develop a sense of community pride.

# Bartow Golf Course

In 1919, Tampa engineer Harry Knight was awarded the contract to build Bartow's golf course on land that had been a dairy farm. The nine-hole course opened later that year.

In 1925, the citizens of Bartow approved a bond of \$50,000 to purchase the holdings of the Bartow Golf Club, as well as another 100 adjoining acres, in order to construct an additional nine holes. The new 18-hole links-style golf course officially opened on the morning of December 4, 1926.

Today, the par 72 Bartow Golf Course, located at 190 Herbert Dixon Blvd., features four sets of tees ranging from 5,200 yards to 6,600 yards. There are no homes between you and the tee – just Mother Nature.

## Make a reservation

Especially during peak season, reserve your tee times at least a week in advance by calling 863.583.9183 or go to [bartowgolf.com](http://bartowgolf.com). The Bartow Men's Golf Association plays every Wednesday and Saturday with a 7AM tee time. The cost to play with the Association is \$20 per game, plus a cart and green fee.

## Lessons available

Both Youth and Adult lessons are available with Golf Pro Chris Reddoch. The one-hour sessions are \$25 for those under 18, and \$40 for golfers 18 and older.

The beauty of the oaks and peaceful wildlife mixed with the challenging greens and winding dog legs scattered with water hazards throughout makes Bartow Golf Course, or "The Tow" as it is known, a diamond in the rough.

## Golf Rates

*May thru August*

18 holes w/cart	\$25
18 holes walking	\$18
9 holes w/ cart	\$15
