Does Neighborhood Watch Work?

✓ YES! In recent burglary cases, suspects were apprehended by the police as a direct result of neighbors who called the police to report suspicious activity in their neighborhood. In most cases, the victims recovered all of their stolen property!

Neighborhood Watch is one of the oldest and most effective crime prevention programs in the country. The program brings citizens and communities together, with law enforcement to deter crime and make communities safer.

For information on how to start a Crime Watch Group in your neighborhood, contact:
